

For the second month of broadcasting of the TV series “Recognize Europe”, we have prepared the following stories:

1. Why the Novi Sad elementary school classes begin with morning gymnastics every day
2. How the communication with the police in Sombor has been made easier for the hearing impaired persons
3. How have the citizens of Kragujevac turned a neglected city area into a beautiful park
4. What are “urban pockets” that have started to sprout in the Belgrade municipality of Vracar
5. How is the free legal assistance provided to the poor citizens in Pancevo
6. The increasing number of disabled persons in Cacak being employed by the company for cup production
7. After almost half a century, the Medical school in Kraljevo has a new building with classrooms on the model of the most modern European schools
8. Swimming classes have become a regular activity of primary school pupils in the Belgrade municipality Savski venac
