

**For the fourth month of broadcasting of the TV series “Recognize Europe”, we have prepared the following stories:**

1. How has the program of public work at the Gerontology Center in Subotica offered a chance for a permanent employment?
2. At the daily care facility of the Kragujevac Social Security Center, the children of problematic behavior learn how to deal with situations without violence.
3. After the shelter for urgent support, the city of Nis opens a safe house for victims of domestic violence as well.
4. Thanks to the “virtual bank” made available for the students of the Belgrade First Business High School, they are now entirely prepared for the real jobs in banks.
5. How has the NGO “GM Optimist” from Gornji Milanovac organized the collection and recycling of electronic waste?
6. The Center for Health Prevention in Pirot helps early detection of illnesses and educates citizens about health protection.
7. Multilingualism and multiculturalism in the program of RTV Pannon from Subotica
8. How has the local self-government in Obrenovac stimulated the use of recycling energy resources?
