

### **The fifteenth magazine of the TV series “Step by Step”**

The fifteenth magazine of the TV series “Step by Step” is dealing with better quality of life as a result of cross-border cooperation.

**The first story** is from Sombor

*Future chefs from the Sombor’s Business High School learn about the HCCP standard and implement it in their practical curriculum. The School’s kitchen is also equipped in line with this international standard, thanks to the project of the cross-border cooperation with the Hungarian partner school from Baja.*

**The second story** comes from Pozega

*The organization “Forca”, in cooperation with the NGO “Friends of Srebrenica”, has organized the training of the youth entrepreneurship, with participation of three border municipalities from Serbia and Bosnia-Herzegovina. The aim of the training is to contribute to the development of the Western Serbia and Eastern Bosnia through education of youth.*

**The third story** is from Valjevo, Sabac and Belgrade

*Regional chambers of economy from four countries connected by the flow of Sava River, have established the cooperation in 2007 with the aim to revive the shipping and economy in this river’s basin. The first result is the Atlas of the river Sava, a tourist-nautical guide for all who use this river flow for tourism or business purposes.*
